

GOOD THINGS are happening at **Church On The Hill**. Send stories to jmoen@hillchurch.com

3/08/10

1. Our **deficit has been reduced** from \$85,000 to about \$58,000. WE have 3 weeks of offerings to zero it out. While 407 of us are giving extra the pastors are doing what they have done all year long - held the line on expenditures the best we know how. We will make it - We rock!.

2. Jon found Christ and COTH several years ago. His daughter, Monica, came to live with him last year and now she has surrendered to Christ. They took communion together yesterday for the first time as **dad & daughter**. This church has been key in the spiritual growth of this family. You all rock!

3. A week ago a **wife** in our church asked her **husband** to leave. Instead he stayed, they prayed, a pastor has helped them, and they are learning to love again. The Holy Spirit is being unleashed in their lives because they have sought His ways instead of their own. God rocks!

4. **Pastor Jon Gross** has years of large church experience and has come home to McMinnville to pour his life into COTH. To have his caliber of leadership donated to us is a 'God Thing' and we owe it all to prayer. Prayer rocks!

5. The **short term mission team** returns from Hawaii tomorrow. While there, they brought several visitors to the church services, improved the buildings, and raised enough money for Pastor Bill to buy all the chairs he needs to fill the sanctuary in that little Hawaiian church. All missionaries rock!
